#### **ARCHITECTURAL CONTROLS**

Architectural controls are required in most new subdivisions. The requirements for each subdivision may vary according to the Controller and Developer. Some changes are to be expected on each approval, as lots and homes do vary, thus requiring some extra costs and considerations. Any costs, which arise from architectural approvals, and are the sole expense of the purchaser. TRUMAN cannot accurately predict all changes or requests, which may be made by the developer/controller.

#### WARRANTIES

Peace of mind provided through our comprehensive warranty program

I Year on Workmanship & Materials

2 Year Warranty of Delivery & Distribution Systems

5 Year Building Envelope Coverage

10 Year Structural Warranty

Comprehensive coverage including deposit payments are protected by the Alberta New Home Warranty Program

#### LEGAL

Basic legal Fees are included only if TRUMAN'S Lawyer & Financial Instituion representative is used
