Calgary Transit

Green Line LRT

Experience the future of Calgary's transit system with the highly anticipated addition of the Green Line C-Train. Set to revolutionize the way Calgarians travel, this extensive expansion will connect communities across the city, providing efficient and convenient transportation options for residents. With plans for multiple stages and stations spanning from North Pointe to Seton, the Green Line promises to enhance accessibility, reduce congestion, and promote economic growth throughout Calgary.

The first stage is set to span from Shepard to Eau Claire will include the first 18km of the total 46km route. Phase 2 will span from Eau Claire to 16 Avenue N. In total this will give C-Train access for 27 more communities and will add 29 new LRT stations to Calgary's transit offerings. With the construction of the project beginning in 2024, and a six year build timeline, the Green Line LRT will offer substantial convenience for Calgary residents after completion.
